OFFICIAL TEXAS STATE FORM

Form 2550

Infant Safe Sleep Policy

Texas Health and Human Services • October 2019

This is an official Texas state-required form. Please complete in full and return with this packet.

2/4

STATE FORMS

Operational Policy on Infant Safe Sleep

This form provides the required information per minimum standards §746.501(9) and §747.501(6) for the safe sleep policy.

Directions: Parents will review this policy upon enrolling their infant at [redacted] and a copy of the policy is provided in the parent handbook. Parents can review information on safe sleep and reducing the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death (SIDS/SUIDS) at: <http://www.healthychildren.org/English/ages-stages/baby/sleep/Pages/A-Parents-Guide-to-Safe-Sleep.aspx>

Safe Sleep Policy

All staff, substitute staff, and volunteers at [redacted] will follow these safe sleep recommendations of the American Academy of Pediatrics (AAP) and the Consumer Product Safety Commission (CPSC) for infants to reduce the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death Syndrome (SIDS/SUIDS):

- Always put infants to sleep on their backs unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [§746.2427 and §747.2327].
- Place infants on a firm mattress, with a tight fitting sheet, in a crib that meets the CPSC federal requirements for full-size cribs and for non-full size cribs [§746.2409 and §747.2309].
- For infants who are younger than 12 months of age, cribs should be bare except for a tight fitting sheet and a mattress cover or protector. Items that should not be placed in a crib include: soft or loose bedding, such as blankets, quilts, or comforters; pillows; stuffed toys/animals; soft objects; bumper pads; liners; or sleep positioning devices [§746.2415(b) and §747.2315(b)]. Also, infants must not have their heads, faces, or cribs covered at any time by items such as blankets, linens, or clothing [§746.2429 and §747.2329].
- Do not use sleep positioning devices, such as wedges or infant positioners. The AAP has found no evidence that these devices are safe. Their use may increase the risk of suffocation [§746.2415(b) and §747.2315(b)].
- Ensure that sleeping areas are ventilated and at a temperature that is comfortable for a lightly clothed adult [§746.3407(10) and §747.3203(10)].
- If an infant needs extra warmth, use sleep clothing [redacted] (insert type of sleep clothing that will be used, such as sleepers or footed pajamas) as an alternative to blankets [§746.2415(b) and §747.2315(b)].
- Place only one infant in a crib to sleep [§746.2405 and §747.2305].
- Infants may use a pacifier during sleep. But the pacifier must not be attached to a stuffed animal [§746.2415(b) and §747.2315(b)] or the infant's clothing by a string, cord, or other attaching mechanism that might be a suffocation or strangulation risk [§746.2401(6) and §747.2315(b)].
- If the infant falls asleep in a restrictive device other than a crib (such as a bouncy chair or swing, or arrives to care asleep in a car seat), move the infant to a crib immediately, unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health-care professional [§746.2426 and §747.2326].
- Our child care program is smoke-free. Smoking is not allowed in Texas child care operations (this includes e-cigarettes and any type of vaporizers) [§746.3703(d) and §747.3503(d)].
- Actively observe sleeping infants by sight and sound [§746.2403 and §747.2303].
- If an infant is able to roll back and forth from front to back, place the infant on the infant's back for sleep and allow the infant to assume a preferred sleep position [§746.2427 and §747.2327].
- Awake infants will have supervised "tummy time" several times daily. This will help them strengthen their muscles and develop normally [§746.2427 and §747.2327].
- Do not swaddle an infant for sleep or rest unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [§746.2428 and §747.2328].

OFFICIAL TEXAS STATE FORM

Form 1099
Discipline and Guidance Policy

Texas Health and Human Services • November 2025

This is an official Texas state-required form. Please complete in full and return with this packet.

This form provides the required information per 26 Texas Administrative Code (TAC) minimum standards Sections 744.501(7), 746.501(a)(7), and 747.501(5).

Directions: Parents will review this policy when enrolling their child. Employees, household members and volunteers will review this policy at orientation. A copy of the policy is provided in the operational policies.

Section 1 – Discipline and Guidance Policy

Discipline must be:

- 1) individualized and consistent for each child;
- 2) appropriate to the child's level of understanding; and
- 3) directed toward teaching the child acceptable behavior and self-control.

A caregiver may only use positive methods of discipline and guidance that encourage self-esteem, self-control and self-direction, which include at least the following:

- 1) using praise and encouragement of good behavior instead of focusing only on unacceptable behavior;
- 2) reminding a child of behavior expectations daily by using clear, positive statements;
- 3) redirecting behavior using positive statements; and
- 4) using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.

There must be no harsh, cruel or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- 1) corporal punishment or threats of corporal punishment;
- 2) punishment associated with food, naps or toilet training;
- 3) grabbing or pulling a child;
- 4) putting anything in or on a child's mouth;
- 5) humiliating, ridiculing, rejecting or yelling at a child;
- 6) subjecting a child to harsh, abusive or profane language;
- 7) placing a child in a locked or dark room, bathroom or closet;
- 8) placing a child in a restrictive device for time out;
- 9) withholding active play or keeping a child inside as a consequence for behavior, unless the child is exhibiting behavior during active play that requires a brief supervised separation or time out that is consistent with 746.2803(4)(D); and
- 10) requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Section 2 – Additional Discipline and Guidance Measures

Only applies to Before or After School Program (BAP) or School Age Program (SAP) that operates under 26 TAC Chapter 744.

A program must take the following steps if it uses disciplinary measures for teaching a skill, talent, ability, expertise or proficiency:

- make sure the measures are considered commonly accepted teaching or training techniques;
- describe the training and disciplinary measures in writing to parents and employees and include the following information:
 - (A) the disciplinary measures that may be used, such as physical exercise or sparring used in martial arts programs;
 - (B) what behaviors would warrant the use of these measures; and
 - (C) the maximum amount of time the measures would be imposed;
- inform parents that they have the right to ask for more information; and
- make sure that the disciplinary measures used are not considered abuse, neglect or exploitation as specified in Texas Family Code Section 261.001.

Section 3 – Effective Date, Signature and Role

This policy is effective on the following date

OFFICIAL TEXAS STATE FORM

CACFP
Infant Feeding Preference Form

Child and Adult Care Food Program • USDA / Texas Dept. of Agriculture

This is an official Texas state-required form. Please complete in full and return with this packet.

CACFP INFANT FEEDING PREFERENCE

Dear Parent/Guardian,

This child care provider participates in the Child and Adult Care Food Program (CACFP) and receives USDA reimbursement for serving nutritious meals to infants according to program requirements. Participation in this program requires child care providers to follow specific meal patterns according to the age of the infant.

If your child is exclusively breastfed, child care providers participating in the CACFP can feed your infant the breast milk you supply and meet the meal pattern requirements. Breastfeeding is widely recognized as the best source of nutrition for infants.

The Institute of Medicine and the American Academy of Pediatrics recommends that adults/caregivers, who work with infants and their families, promote and support exclusive breastfeeding for the first six months and continuation of breastfeeding in conjunction with complementary foods for 1 year or more, and the Texas Department of Agriculture (TDA) encourages child care providers to dedicate a space for mothers to breast feed their infants on site.

Child care providers participating in the CACFP **are required** to offer at least one infant formula for infants who are enrolled for child care. You may decline the infant formula offered, and supply breast milk and/or your own preferred infant formula.

Additionally, when you determine in consultation with your physician that your child is developmentally ready, the child care provider will also be **required** to offer infant cereal and other foods. As with infant formula, you can decline the infant cereal and other foods offered and provide those items to your child care provider. It is important to note that your child care provider will not receive reimbursement for meals that contain more than one parent provided component. Speak to your child care provider to understand what components are required for your infant's meal and the exceptions made for infants with disabilities, so that your infant receives the most nutritious meal possible.

It is very important that you indicate your preferences on the form that follows so we can honor the nutrition choices you have made for your family. Please complete the information below to designate your preference for infant formula, infant cereal, and other foods.
